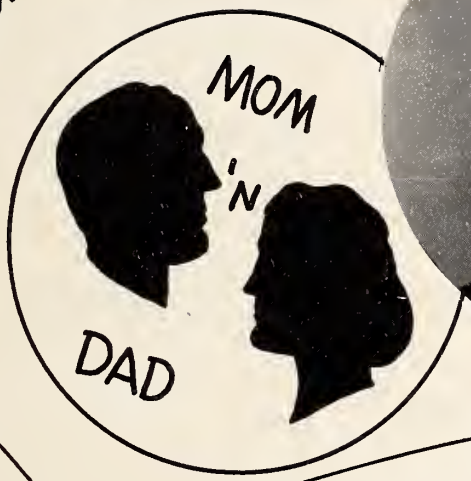
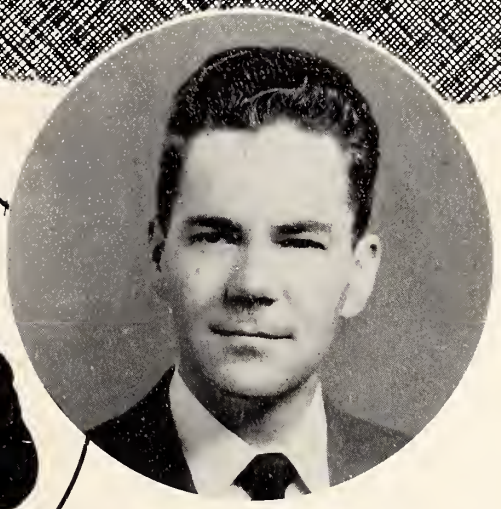
DEDICATION





Whom, in our past that has cared for us and shared in our sorrows, disappointments, and joys, could we have picked better than OUR PARENTS to whom to dedicate our '57 Chieftain?

This is one of the ways we have chosen to say "Thank you, Parents." We feel that this honor should indicate some of the depth of gratitude we wish to express.

At school, this person has unofficially become our second parent. He is an ideal after whom we wish to pattern our lives. He has also shared in our successes and failures and is always there to help.

With our sincere gratitude we also dedicate our '57 Chieftain to our principal, MR. HARRY G. BEARD.

Principal's Message

As students and teachers work together in school activities, the emphasis should always be on the development of qualities that are so essential to the making of solid citizens. Qualities that the school has the responsibility to develop are character, initiative, resourcefulness, and the genuine desire to achieve high aims in life.

School activities are very important and should never be taken lightly. Students and teachers have a great responsibility. Let us enter into our activities with vigor and zest and with a determination to do things really worthwhile. The rewards will be very great.

Our School Board

is genuinely interested in us. They're presenting a sportsmanship trophy this year to some boy and girl player.

Oland Peele, Avery Sasser, Mrs. Clarence Bunn, Clee Davis, Chairman, Owen Whaley.

FFA 1, 4; Bus Driver 4; Junior Play; Senior Play; Annual Staff, Art Editor.

CLASS POEM

The time of parting is drawing near,
When we must leave our friends so dear.

Our school days will have come and gone,
And only fond mem'ries will linger on.

Soon each must find his place in life,
Where he will meet with fame, fortune, and strife.

Then we'll think of the lessons we've learned,
As well as all the advice we've spurned.

As class colors, green and gold we chose
And for our flower, the Talisman Rose;

Our motto, "He who cannot obey, cannot command, "
Will serve as our guidepost on every hand.

As the members of the '57 Senior Class
From the halls of Nahunta High School pass,

We hold fast to our mem'ries dear,
But look to the future with hope and cheer.

Melva Jean Mitchell

CLASS SONG OF '57

Now is the hour when we must say good-by;
Soon we will be leaving dear Nahunta High.

Long will our hearts recall each joy we've shared;
The world before us lies so bright and full for us.

Our school days here are forever past and gone;
But time can ne'er erase the joys we've known.

It breaks our hearts to say farewell to you;
Yet here fond memory loves to dwell with us.

CLASS PROPHECY

Recently at the fabulous "Rock-and-Roll" Theater, before the curtains parted for a glorious performance of "Pretending, " starring ANNETTE WINDERS, the house lights dimmed and a spotlight began picking out distinguished people in the audience.

It fell first on the eminent emcee, Ed Sullivan, who introduced comedian LEWIS VALENTINE, now making a big hit with his comedy hour on TV. Next, the spotlight swung to General A. B. CRAWFORD, who holds the highest medal award from the National Guard Infantry. Sitting near the General were two First Class Lieutenants, MORRIS CARTER and JULIUS BOSWELL. The spotlight was then drawn to the center aisle where our attention was called to dare-devil racers, CECIL LANE and DOUGLAS GURLEY, who were being treated for a sprain by Nurses, DAYLON HOWELL and MATTIE JEAN LEE.

As the orchestra prepared us for the opening scene, I glanced at the program and recognized such famous and familiar names as: MARKIE SMITH, script writer, and ANN STRICKLAND, designer of the beautiful costumes. The clever lines in the play were written by MELVA JEAN MITCHELL.

Later, as the program ended, I stopped by the lobby to chat with MARION TALTON, now being recognized for his excellent batting average with the New York Yankees. I called hello to Pilot JIMMY BUNN and Stewardess ANNETTE SASSER, who had caught the play between flights.

I managed to wedge in a word with two well-known mechanical engineers, ELBERT RICHARDSON and CHARLES AYCOCK. I see after three years at the Naval Apprentice school, they are both a success.

I managed to squeeze through the door, out into the fresh air. As I stepped out, who should I bump into but an old friend of mine, Reverend DICKIE PIERCE and his charming wife. He didn't have but a minute to spare for he was on his way to visit a shut-in.

JULIA BERRY, an old chum of mine from high school days, now a very exact book-keeper at Mitchell Field, Air-Force Base, offered me a lift to the Blue Palace, which DAVID STAFFORD, supervisor, has made into a stop-off for the Rock-and-Roll fans. David was not quite successful in finding a job with all the work taken out.

Upon our arrival at the Blue Palace we were greeted by many of our old and close friends. Entering the door, we saw that WILTON HOWELL'S name was signed to one of the attractive advertising posters.

I began realizing how quickly the evening was passing and lo, I had been brought into contact with all my former classmates.

Since five years ago when we graduated, quite a few changes have taken place. I see that Wilton and Annette have finally tied the knot. I hope they are as happy as they seemed to be during high school days.

Well, Well! If there isn't Daylon with Thomas. I'm so glad she hooked him. I always thought they made a cute couple together.

What's the trouble with Elbert? Is he sick? He must be because he isn't carrying on as he did in high school. I see, that pretty wife of his keeps him tamed down. I guess he has grown up at last.

The delicious food we ate was prepared for us with extreme care by BILLY RAE LOLLAND, now chef at the Blue Palace.

The final link in a chain from the past fell into place as BETTY HOWELL, NOW PRIVATE SECRETARY TO A LAWYER IN Raleigh, rose to offer a toast to the members of the class of '57.

Betty Howell, Prophet

CLASS HISTORY

Oh boy! That long longed-for day in everyone's life had come, that September morning in 1945 when thirty-two students met together in Mrs. Boone's first grade room. It was a sight to see the expression on each one's face. Some were timid, some afraid, and others looking as if they were determined. Despite these we had a good year with the first grade play as one of our highlights, directed by Mrs. Dora Fleming.

We started our second year with a bang when Mrs. Leslie Rowe came in as our teacher.

The class was separated the third year with Mrs. Dixie Edmundson and Miss Winnie Herring as our supervisors.

Miss Herring, Mrs. Louise Lewis, and Mrs. Mozelle Gurley led us successfully through the fourth, fifth, and sixth grades. Markie and Wilton joined our class in the fourth grade; Morris, the fifth; and Daylon and Billy Rae, in the sixth. We were very happy to have these additions to our class along with the talent they brought.

Our trip to Raleigh the next year was truly the highlight of our school career. It was during this year that Markie left us and Morris rejoined us.

Mr. Hubert Banks led us through the struggle of learning to change classes in the eighth grade. The class enjoyed the fellowship together when we went to the Cliffs for our year's trip. During this year Markie rejoined us along with Jimmy. After our graduation exercises, all twenty-seven of us left school with a smile of anticipation on our faces expecting to come back the next year and start a successful high school career.

Thirteen girls and fourteen boys met together that morning in September to be led through a prosperous year by Mrs. Doris Gurley. We had four others besides Morris, who rejoined us at this time to make us thirty-two. It was very interesting this year to notice the different activities that the class took up, the highlight of which was the trip to Goldpark Lake when we had a picnic supper and froze ice cream. It was raining and a very cold wind blew that day but despite the weather some of the class went swimming.

You can see that our boys have really changed, because our ninth grade play, "The Ghost in the Green Gown," had an all girl cast.

By working hand in hand to win the tobacco drive we won a wiener roast.

A. B., Lewis, and David, as additions to our class, brought many laughs to us on the trip to the Cliffs which Mrs. Dixie Hart shared with us during our sophomore year. We shared the winning of the tobacco drive and a party with the Junior class.

We began an enjoyable Junior year with Mrs. Janyce Hinnant and later Mrs. Louise Wilkie as sponsors. The class wiener roast was fun for everyone at Herman Park with the Greenville trip following shortly. Cecil Lane joined us this year.

Our Junior play, "Cyclone Sally," was directed by Mrs. Doris Gurley, and what success we had with our ads! Immediately after school this year we all enjoyed the day that we packed our picnic baskets and went to White Lake.

Twenty-four students, including our addition, Douglas, met together on September 7, 1956, all happy because they were beginning their Senior year which was to be sponsored by Mrs. Doris Gurley.

We began the year by preparing for our Senior play, "Eyes of Love." An exciting time for everyone around school was when the Seniors received their class rings. Of course, the Seniors were all very happy but a lot of excitement came from the other classes as the students asked, "May I see your ring, please?"

As the year progressed, we began preparing for our long proposed trip, the last of March, to New York City. Some nights found us tying tobacco while some days found us pulling corn. We tried many conceivable ways to make money, even sharing the concession stand in the gym with the Juniors, collecting scrap iron, and sponsoring a barbecue supper.

Just as all classes had their disputes, we had ours, but they all have led to success as we enjoy our final moments at Nahunta High School. As we leave these halls we look back over our shoulder at our history and the success that the years have brought us. And now we look forward into the future at the success that we feel sure will be ours.

Dickie Pierce, Historian

LAST WILL AND TESTAMENT

We, the Senior class of 1957, being of sound and understanding mind, realizing that we are on the threshold of departing each of us in a different direction, do make and declare this to be our Last Will and Testament.

Item I: To Mrs. Gurley, we leave our unsettled quarrels and wasted time, hoping she will distribute it among the Seniors next year for they will really need some extra in which to carry on their business.

Item II: To the upcoming classes, we bequeath our wealth and determination to accomplish what we set our minds to do.

Item III: Personal Belongings

Lewis Valentine wills his ability to mimic "Elvis" to William Barnes.

Mattie Jean Lee leaves her supply of cute remarks to Mrs. Wilkie so that she may add them to her collection.

Annette Winders, believing it best to keep things in the family, passes her ability to hold her man down to her sister, Patsy.

David Stafford leaves his motto, "Say nothing, do nothing, " to anyone to whom it applies.

Dickie Pierce, hoping to save confusion, leaves this advice, "If you're going to change girls, at least try to keep the same last name. "

Marion Talton wills his ability to play basketball and be high scorer to Kay Pittman.

Annette Sasser leaves her parking space at the Coffee Shop to anyone else who likes cheeseburgers as well as she does.

Being very generous and wanting to leave something, Cecil Lane wills his good looks to Michael Whaley to add to that which he already has.

Betty Howell bequeaths her ability to spread her charm among all the males and still have her eye on one special one to Judy Stuckey.

Raymond Radford leaves his driver's manual to John Sullivan, hoping he will set the same record as he has for being a safe driver.

Melva Mitchell, Morris Carter, and Julius Boswell will their quiet and easy-to-get-along-with dispositions to Charles Sullivan.

Douglas Gurley wills his ability to get along with girls to Bill Jordan.

Billy Rae Holland leaves his be-bop haircut to Robert Gurley.

Markie Smith wills her love for the Air Force to Robbie Taylor, hoping she too will like it some day.

Elbert Richardson leaves all his unopened packs of gum to David Gurley, thinking maybe David will take over and keep everybody supplied.

A. B. Crawford bequeaths his scorekeeping books to the next scorekeeper.

Charles Aycock wills his knowledge of bookkeeping to Peter Aycock, since Peter needs it in order to pass the subject.

Jimmy Bunn wills his speed, whether it be on the ball court or at the typewriter, to Glenn Sasser.

Ann Strickland wills her camera to the photographer on next year's annual staff.

Realizing the ball team will be lost without her, Daylon divides her skill in six shares among the team.

Wilton Howell bequeaths his art ability to anyone who can't draw.

Last but not least, Julia Berry wills her intelligence and good grades to all those who are just plain dumb.

Elvis Gets In An... ...Fi...

TOLED... Balint, 19... ...ainer Elvis Presley in a down- own bar early today, but no one was hurt.

Haled into Municipal Court today on a charge of disturbing the peace, Balint pleaded guilty and was fined $10 and costs of $9.60. When he could not produce the money, he was sentenced to serve out the penalty by spending seven days in the workhouse.

Presley had gone on to Cleveland for a personal appearance.

Balint, who had separated from his wife three weeks ago, told police he was unhappy because his wife carried a picture of Presley in her wallet, but no picture of Balint.

The commotion was in a bar at the Commodore Perry Hotel. The police who answered a call said Presley was making out ... when they arrived. ... the circumstances ... ained.

MOTTO

"Be not simply good; be good for something."

CLASS SONG

My school days are ending; the future
is near.
The end will bring showers of sadness
I fear.
We'll love you forever 'til the end of
time, memories of school days will
always be mine.
It's almost tomorrow
Then school will be o'er; memories of
Nahunta High will cling evermore.
I'll love you forever
'Til days come no more.
And cherish those memories that live evermore.

Our thanks to Robbie Taylor and Kay Pittman who worked as Junior Representatives on the annual staff.

Student Council In Action

STUDENT COUNCIL REPRESENTATIVES AND OFFICERS

Betty Howell, Jimmy Bunn - - - - - - - - - - - - - - - - - 12th grade
Carolyn Fulghum, Peggy Minshew - - - - - - - - - - - - - -11th grade
Allen Aycock, Inez Sasser - - - - - - - - - - - - - - - - - 10th grade
Bobby Bunn, Joyce Ricks - - - - - - - - - - - - - - - - - - 9th grade
Don Morris, Lillian Davis - - - - - - - - - - - - - - - - - - 8th grade

The Beta Club, after observing Student Council in action at other schools and hearing a speech from Markie Smith who attended Girls' State, felt the importance of Student Council at Nahunta. After discussion in each homeroom, a constitution was adopted in November, followed by campaigning and election of officers in December. Thus, we became the first rural school in Wayne County to put Student Council into operation in January, 1957.

SOCIAL

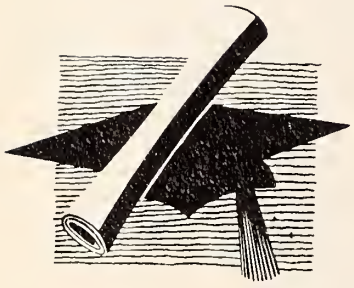
Are the Many
Are Ours.

There were times when we thought we'd never make it - ball players forgetting their suits, photographers always late, pictures not developing, and dashing around to meet the deadline for shipments. But here it is, all polished and shined: Our album of records. We hope that you will treasure these memories as much as we will the hours we've spent, on the grounds of dear old Nahunta.

SCHOOL SONG

There's a dear old school, Nahunta,
To us it is a dear one
Where our love and truth and friendship
Will never never die;
Where the people are so friendly
Our thoughts go back there daily
To the school we love so dearly
As we work there day by day.

Cho. Where the dogwood trees are blooming
And the skies are always blue
To our high school Alma Mater
We will ever be so true.
And the moment that we're near her
With a joyous shout we'll greet her
For there's not a school can beat her
For our hearts are strong and gay.



As old glory flies above her
With her colors brightly gleaming
There the folks are ever happy
As the birds in sweet spring time.
Forget Nahunta? Never!
Our school we'll cheer forever
Her fame we'll always cherish
As the years keep rolling on----
